Deepen Your Career Counselling Knowledge with Prof Kobus Maree

INTRODUCING **THREE NEW CAREER COUNSELLING WORKSHOPS** BY CAREER-EXPERT PROF KOBUS MAREE

ABOUT PROF KOBUS MAREE

Prof Maree is a registered Educational Psychologist with an illustrious career spanning over 35 years.

His private practice is dedicated to career construction counselling, helping individuals clarify their career and self-identities while enhancing self-efficacy.

Holding three doctoral degrees - DEd (Career Counselling), PhD (Teaching and Learning Facilitation in Mathematics), and DPhil (Psychology) - Prof Maree is a renowned expert in his field. For 38 years he has been a professor at the University of Pretoria, specialising in career construction counselling. Since 2014, he has supervised 54 doctoral theses and master's dissertations, further solidifying his commitment to academic excellence and the advancement of psychology.

CIP career interest profile

MAREE CAREER MATRIX

1 CAREER CONSTRUCTION COUNSELLING USING EARLY RECOLLECTIONS

This one-day, in-person workshop will equip you with the skills to integrate the twin processes of self- and of career construction to help people connect what they know about themselves consciously with what they are aware of subconsciously.

FIND OUT MORE

2 LIFE DESIGN COUNSELLING

Life design counselling helps people to understand themselves better, design new selves, construct careers, promote action, and imbue a sense of meaning, purpose, and hope in them. This one-day workshop will equip you with the know-how to empower your clients to clarify their career-life identity through the process of life design.

3 INTEGRATING THE MAREE CAREER MATRIX AND THE CAREER INTEREST PROFILE IN CAREER COUNSELLING

This workshop will advance your theory base in career counselling to one that is more holistic and contextual.

YOU WILL LEARN HOW TO:

- elicit 'stories' and 'scores'
- connect what you know about yourself consciously with what you are aware of subconsciously
- facilitate crafting of your Career-Life Story Narratives
